Murder Mystery replaces Wine Social: April 26

There has been a wonderful response to our upcoming Murder Mystery event. Right now, we are at capacity but because we know that things happen and our numbers may change, a wait list is being kept. If you are interested in attending, email Therese Koellner, [tck3939\(at\)gmail\(dot\)com](mailto:tck3939(at)gmail(dot)com) asap. Subject Line: Murder Mystery. For our SNN members who have already signed up for the event, emails will be sent with important information as we get closer to the event. Please reach out to Therese if you have any additional questions.

President's Message: April 2025

"If we had no winter, the spring would not be so pleasant." (A. Bradstreet)

Happy April everyone. Hopefully we have warm weather and sunshine awaiting us this month.

Our monthly wine social for April is being replaced by the MURDER MYSTERY NIGHT. Therese Koellner and her accomplices have been hard at work preparing a fun and unusual night for Saturday, April 26th. Sadly, however, it is now full (a blast was sent out indicating doors are closed for this event; see article below). Also, thank you to the Morrison's for the St Patrick's weekend March wine social. And there is only this month left where Beachcombers will be indoors. The May gatherings will be back on the beach!

So happy yard cleanup. Prepare for the spring blooms. As usual, we look forward to our gatherings and activities for April.

Happy Easter, Happy Passover.

Cheers, Annie

Beachcombers continues to grow in numbers. There have been many times with 16-18 enjoying a gathering at The Local...and there has been an occasional time with just 4. It is simply a drop in with a welcome to all.

See you at The Local in April.
